Winter Will be Upon Us Soon!!!

Some things to keep in mind:

- **Our Road Crew works long hard hours clearing the roads after a snowfall.** Please be patient if they do not get to your road first. They will get to it soon!
- **Clear the Right of Way.** Remove signs, trash bins, vehicles and all items from the Right of Way to insure the plows don't hit your vehicle or run over your items.
- **Don't pass.** The road behind a plow is always better than the road in front of a plow. And all the snow, rock and other debris comes out of a plow at a high rate of speed—if you pass and try to drive through all that, the weight of the snow could force your vehicle off the road or break windows. Plows are large vehicles with blind spots, even when not working in blizzard conditions or pushing snow. **Stay out of their blind spots.**
- Keep these safety tips in mind so that **you and our plow drivers can make it home safely.**

STAY SAFE!!!

THINKING OF SOME HOME IMPROVEMENTS?

Permits are required for the following:

- Sheds (this includes prefab sheds, delivered & set-up as well as stick built)
- Swimming pools-both in ground and above ground styles-fence may also be required
- Additions of any kind which you would like to add to your residence. This includes finishing off a basement
- New and replacement wells
- New driveways or additions to driveways
- Interior remodeling
- Garages, Decks, Patios, Sunrooms
- Fences
- Home occupations
- Signs
- Solar panels
- Generators

You can find the Building Permit Application on our website

WELLSVILLE FIRE COMPANY NEWS

The \$\$\$ Value and absolute necessity of Volunteer Help

The Wellsville Fire Company just completed it's 83rd Annual Carnival, another huge success. This is only possible with hours and hours of volunteer help from a very supportive community. Thank you, thank you, thank you. This event is our greatest fundraiser. Other events include Gun and Cash dinners, Lucky Number Club, Meat Bingo, Craft Shows, Peanut Butter Egg sales and Hall rentals. Solicitation letters go out in connection with our Carnival. Community events include Easter Egg Hunt and Breakfast with Santa & Helpers. We also collect food and gifts for families that need some help.

It is the responsibility of our municipality, Warrington Township and Wellsville Borough to provide Fire Protection and Emergency Services for its residents. Significant financial support is budgeted and provided for this service. Washington Township and Franklinton Borough currently have contractual agreements with Wellsville Fire Company to provide Emergency services. These contracts are reviewed annually.

It is the intent and goal of the Wellsville Fire Company to continue with our fundraising efforts to minimize the required budgeted funds from Warrington Township and Wellsville Borough. To meet this goal long term, **we need volunteers** to join our extended Wellsville Fire Company family. You are needed and you can serve your community in a very positive, gratifying way. **Firefighters, First Responders and Social members are needed.**

***The charts showing actual hours worked for the first six months of 2024 and the dollar value saved if the donated volunteer time was paid, are available on warringtontwp.org/index.php/emergency-services**

This is the first in a series of informational articles to keep taxpayers informed.

Kevin Hoke, Trustee

Life Member w/50 years Volunteer Service

See Wellsville Fire Company website for more information

Wellsville PA 17365**

Playground Completion

Updates to Warrington Park Kids Playground have been completed. There is new Play World equipment, Swings, Spin Cups, Swing Along, Cone Spinner, new park benches, sidewalks and mulch base.

A grant was obtained from DCNR for the new equipment and work at the park.

We hope all our visitors, young and old, will enjoy the new playground!!!
